

VERSATILITY AND AFFORDABILITY BEAUTIFULLY COMBINED

Linearity –where design meets function. The clean, modern slab door made for the minimalist. A real wood look and feel, textured TFL surfaces are available in a variety of colors to compliment your kitchen or bath design. Linearity combines versatility, affordability, and availability without sacrificing quality. These contemporary, slab doors are finished with a matching textured edgeband and standard white back to match the cabinet interior.

TFL - Thermally Fused Laminate:

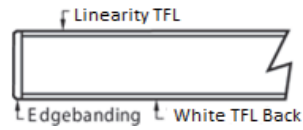

- Good resistance to stains and scratches
- Great design and durability at cost value
- Great availability
- Low maintenance and easy to clean
