HAPPY THANKSGIVING FROM ALL OF US AT QUEST

It's hard to believe Thanksgiving is this week and Christmas is around the corner. Thanksgiving is our favorite time of the year. It is a time to reflect on what we have been blessed with. We are thankful for many things, good health, friends and family. We are grateful each day for our Quest Family or as we like to say our work family! At this time of the year and always we are thankful for all of your continued patronage.

QUEST IS HIRING

Please look at our [Career page](#) and if you know of anyone that would be interested in a position at Quest Engineering, we have a lot to offer.

MEET OUR CUSTOMER SERVICE TEAM

Beth Waldschmidt

Team Leader

Beth has been in the industry for 25+ years. She has been on the retail end dealing directly with consumers for 25 of those years and the last 5 here with the Quest family. She has a degree in Interior Design, specializing in Kitchen & Bath from UW-Stevens Point. When Beth isn't at work overseeing her department, orders, quotes and deliveries, she is working on home improvement projects. Give Beth a tool and she can fix almost anything at home, including cars! Beth and her husband Paul have 2 beautiful girls; Grace, a junior at Luther Preparatory School, and Nora, a second grader at Peace Lutheran School. Grace's love of music and the arts and Nora's adventurous nature from cross country to 'creating', keeps them on their toes!

Sue Buboltz

Sue has been with Quest for 2 years in Customer Service. When she is not here at her desk helping with quotes and orders, she is out running. Sue completed her first ½ marathon in September. She is looking forward to the Turkey Trot for Thanksgiving. When Sue isn't pursuing her passion of running, she is spending time with her husband at their cottages. She has two daughters, Shannon & Andrea, and loves to "puppy watch" her daughters' Golden Retriever. Sue also enjoys football and basketball and is always the first to be sporting the Badger or Packer gear.
