

## THE LATEST FROM QUEST ENGINEERING

### QUEST NOW OFFERS A NEW STANDARD IN QUALITY DRAWER CONSTRUCTION

CABnX and CLOzX products now feature improved drawers with significant material and hardware upgrades, without increasing the cost! Orders placed after August 2 will receive this drawer box as the standard drawer box in CABnX and CLOzX products.

#### “Q BOX” DRAWER

Full extension undermount synchronized soft close slides.  
Silent system – a smooth run without noise.

- 4 drawer heights
- Glass insert sides
- Gray metal sides w/ 5/8" TFL bottom and back available in gray or walnut

#### DOUBLE WALL DRAWER

#### Group 1 and Multi Family

Full extension undermount synchronized soft close slides.  
Silent system – a smooth run without noise.

- 3 drawer heights
- White metal sides & 5/8" white TFL bottom
- Dynamic load capacity

[Contact us](#) for more information on these upgrades and to experience a new level of quality for a price that's hard to beat!

### CABNX KITCHEN & BATH CATALOG IS ALMOST HERE

The new CABnX Kitchen & Bath Catalog will be available to dealers this month. You'll find everything you need, to place orders for these exciting new styles and finishes.

It also features our new RustiK and SliK product lines for the perfect balance of luxury and style, made with the highest quality materials and innovative technology. Slab, 5-piece and 3-piece doors are available to enhance any space.

### MEET OUR PLANT MANAGERS

**Chris Burns**  
*Richfield Facility*

As the plant manager at our Richfield, WI facility, Chris oversees daily production operations for standard and non-standard product arrangements. Chris has climbed the ropes at Quest starting in installation and customs fabrication, through engineering and project management to land as the Plant Manager. He has gained the experiences necessary to ensure success on every level.

**Brian Klingele**  
*Jackson Facility*

As the plant manager for our Jackson, WI facility, Brian supervises daily operations of custom product fabrication. Brian compliments our team with many years of hands-on custom product fabrication and a global knowledge of materials. Brian is truly a project and customer centric facilitator.

If there is anything else we can do for you at this time, or if you wish to express any comments or concerns, please feel free to contact me directly at: [chris@questcabinets.com](mailto:chris@questcabinets.com) or call 262-334-4949 Ext 4499.

Sincerely,

**Chris Lefeber**  
President/CEO
